Dear Will,

Re: Tesco Worcester 2– Refresh and Closure

I would like to take this opportunity on behalf of the ISG Pearce team to congratulate and thank your team for the exceptional high level of service, care and response given to us on the above project. Led by Phil Lewis and driven hard by the energy of Andy we were able to deliver an extremely fast track project within tough time constraints and at times difficult working conditions

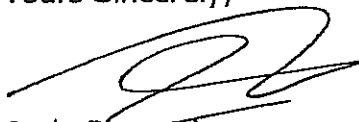

I believe the good working relationship between Andy and our Team helped in achieving this, finding them very flexible and co-operative working split shifts and fantastic communication to keep the project moving.

This performance was also recognised by Jim Matter who gave us a “Blue” on completion of the project which is a reflection of all your hard efforts

It gives me great pleasure in sending you this letter and am also very grateful in your efforts in closing out your snags within the KPI.

On behalf of the team, we wish you all the best for the future and look forward to working with you on future Tesco projects.

Yours Sincerely,

Andy Demetriou
Operations Director
